Dan Dougan is usually in from 2:00 to 8:00 p.m. weekdays, to handle booking and questions at 421-2032.

Do NOT email to try to book a show. Please call if you have any questions.

The following guidelines apply if you are promoting your own show.

Different rules apply for support slots for national shows. Contact Dan.

Performance times (All times are real time NOT bar time)

Shows should start no later than 10:00 pm. (Contact Dan for an earlier start time.)

We close the bar at 2:00 a.m. on weekends, Weekdays at the management's discretion. We prefer three sets of music or the equivalent. Please inform us as soon as possible of the openers and order of the bands by phone or email ike@littlebrothers.com We prefer the "headlining" band NOT play first. Band gear needs to be off premises one hour after finish of last set.

Sound

You must hire a qualified sound engineer who provides ALL microphones with stands, clips, and cords and direct boxes.. LITTLE BROTHERS provides a full mono P.A. with 32 channel mixing console with 4 channel monitor mix (one drum monitor & three front wedges), monitor and front of house EQs, SPX 50D, Electra 500 digital delay, CD player and cassette deck. We only charge \$25 for use of this P.A. If you cannot find a qualified engineer call the bar at least one week in advance, and we'll suggest one or more to you. Bands can load-in after 8:00 p.m. Call a week ahead to load-in earlier than 8:00 pm.

Money

Suggested cover charges are \$3 weekdays and \$4 weekends (Fri. & Sat.). You may charge more, if you do, please inform us in advance. LITTLE BROTHERS is 18 & over and we charge an additional \$2 per person under 21 years of age (including guests of the band.); split with the employees & bar.

Bands generally play for 100% of the door minus the P.A. charge. From the remainder you must pay for the sound engineer, openers, fliers, and any additional expenses. You may have a guest list, but remember it's your money; and you will still be responsible for your production expenses. We suggest one guest per band member who, like everyone else, must have I.D.

Drinks

Drink prices for bandmembers only! Band members must have a "band" hand stamp to be served/receive discount.

Bottled beer, draft pints = 1/2 price. All liquor = \$1.00 off -Pitchers of draft = \$2.00 off -Soda, juice, & coffee = free

ATTENTION!!! Furnishing alcohol to a minor or bringing alcohol into the club can result in immediate cancellation of your show and could impact future bookings. Any minor caught drinking alcohol will be ejected from the club.

Fliers should always be posted prior to your show with the following information: bands, date, time, place and cover charge. When posting fliers, please be considerate; do not cover up any fliers for upcoming shows or post on/in buildings or utility poles without permission.
